

Dr Majeed and Dr Shetty

Patient Participation Meeting 5.6.26

Introductions

We would like to introduce you all to the new Practice Manager Chris Colyer. Some of you may have met him before when he was helping to register patients on to Patches and NHS app.

We have a new GP starting in August Dr Wignall who has been coming here for a few years now doing locums. We would all like to welcome Dr Wignall

We have a locum practice nurse starting in a couple of weeks Lucy, who will be with us until Jenny the new practice nurse starts at the end of July.

A big welcome to all of our new staff

Nurse leaving

Emma our practice nurse is leaving this week. We wish her well

Locums

Everyone seems to be happy with the locums that have been helping us in particular Dr Ojo and Dr Abraham

NHS APP - Prescriptions

When ordering prescriptions on the NHS app patients are finding that when an item is not on their list and they are typing this into the free text box this item is being left off. The box seems to get overlooked. I will speak with the GP's regarding this

Patient Toilet

A patient reported that the chord in the toilet had been cut and the toilet seat broken. I have reported this to our maintenance team.
